

**Tulsa Metropolitan Area
Planning Commission**

**Project Anthem (PSO Substation) - Accelerated Release
of a Building Permit**

Hearing Date: March 5, 2025

Prepared by: Austin Chapman
achapman@cityoftulsa.org
918-596-7597

Owner and Applicant Information

Applicant: Torry Hurt

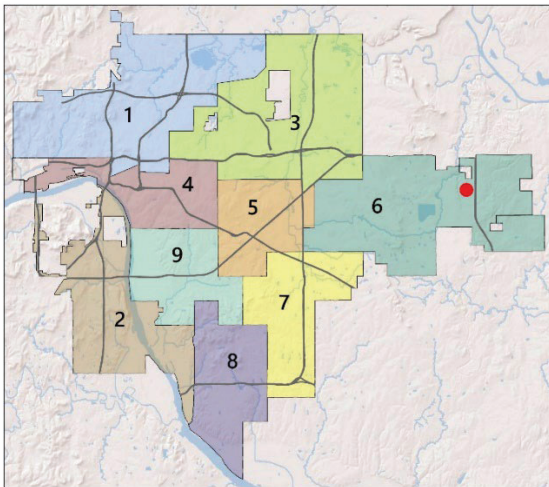

Property Owner: Nathan Koch

Property Location

Southwest of the intersection of the Creek Turnpike
and East 11th Street South

Location within the City of Tulsa

(shown with City Council districts)

Elected Representatives

City Council: District 6, Christian Bengel

County Commission: District 1, Stan Sallee

Public Notice Required

None.

Request Summary

The applicant is seeking authorization for an accelerated release of a building permit prior to the filing of the final plat for Project Anthem and a modification to Section 10-110.6-C of the *Subdivision and Development Regulations* which would require the developer to submit a financial guarantee to the City of Tulsa for outstanding infrastructure improvements required for the project. The proposed accelerated release is for an electrical substation that will not require connections to the City of Tulsa infrastructure planned for the overall site and principal uses.

Preliminary plat was approved by TMAPC on 8/07/24

Tract Size: ±16.80 acres (Substation site); ±339.11 acres (Full Project Anthem Site)

Zoning

Existing Zoning: IL

Existing Overlays: None

Use

Current Use: Vacant

Staff Recommendation

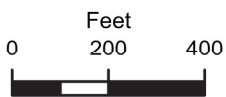

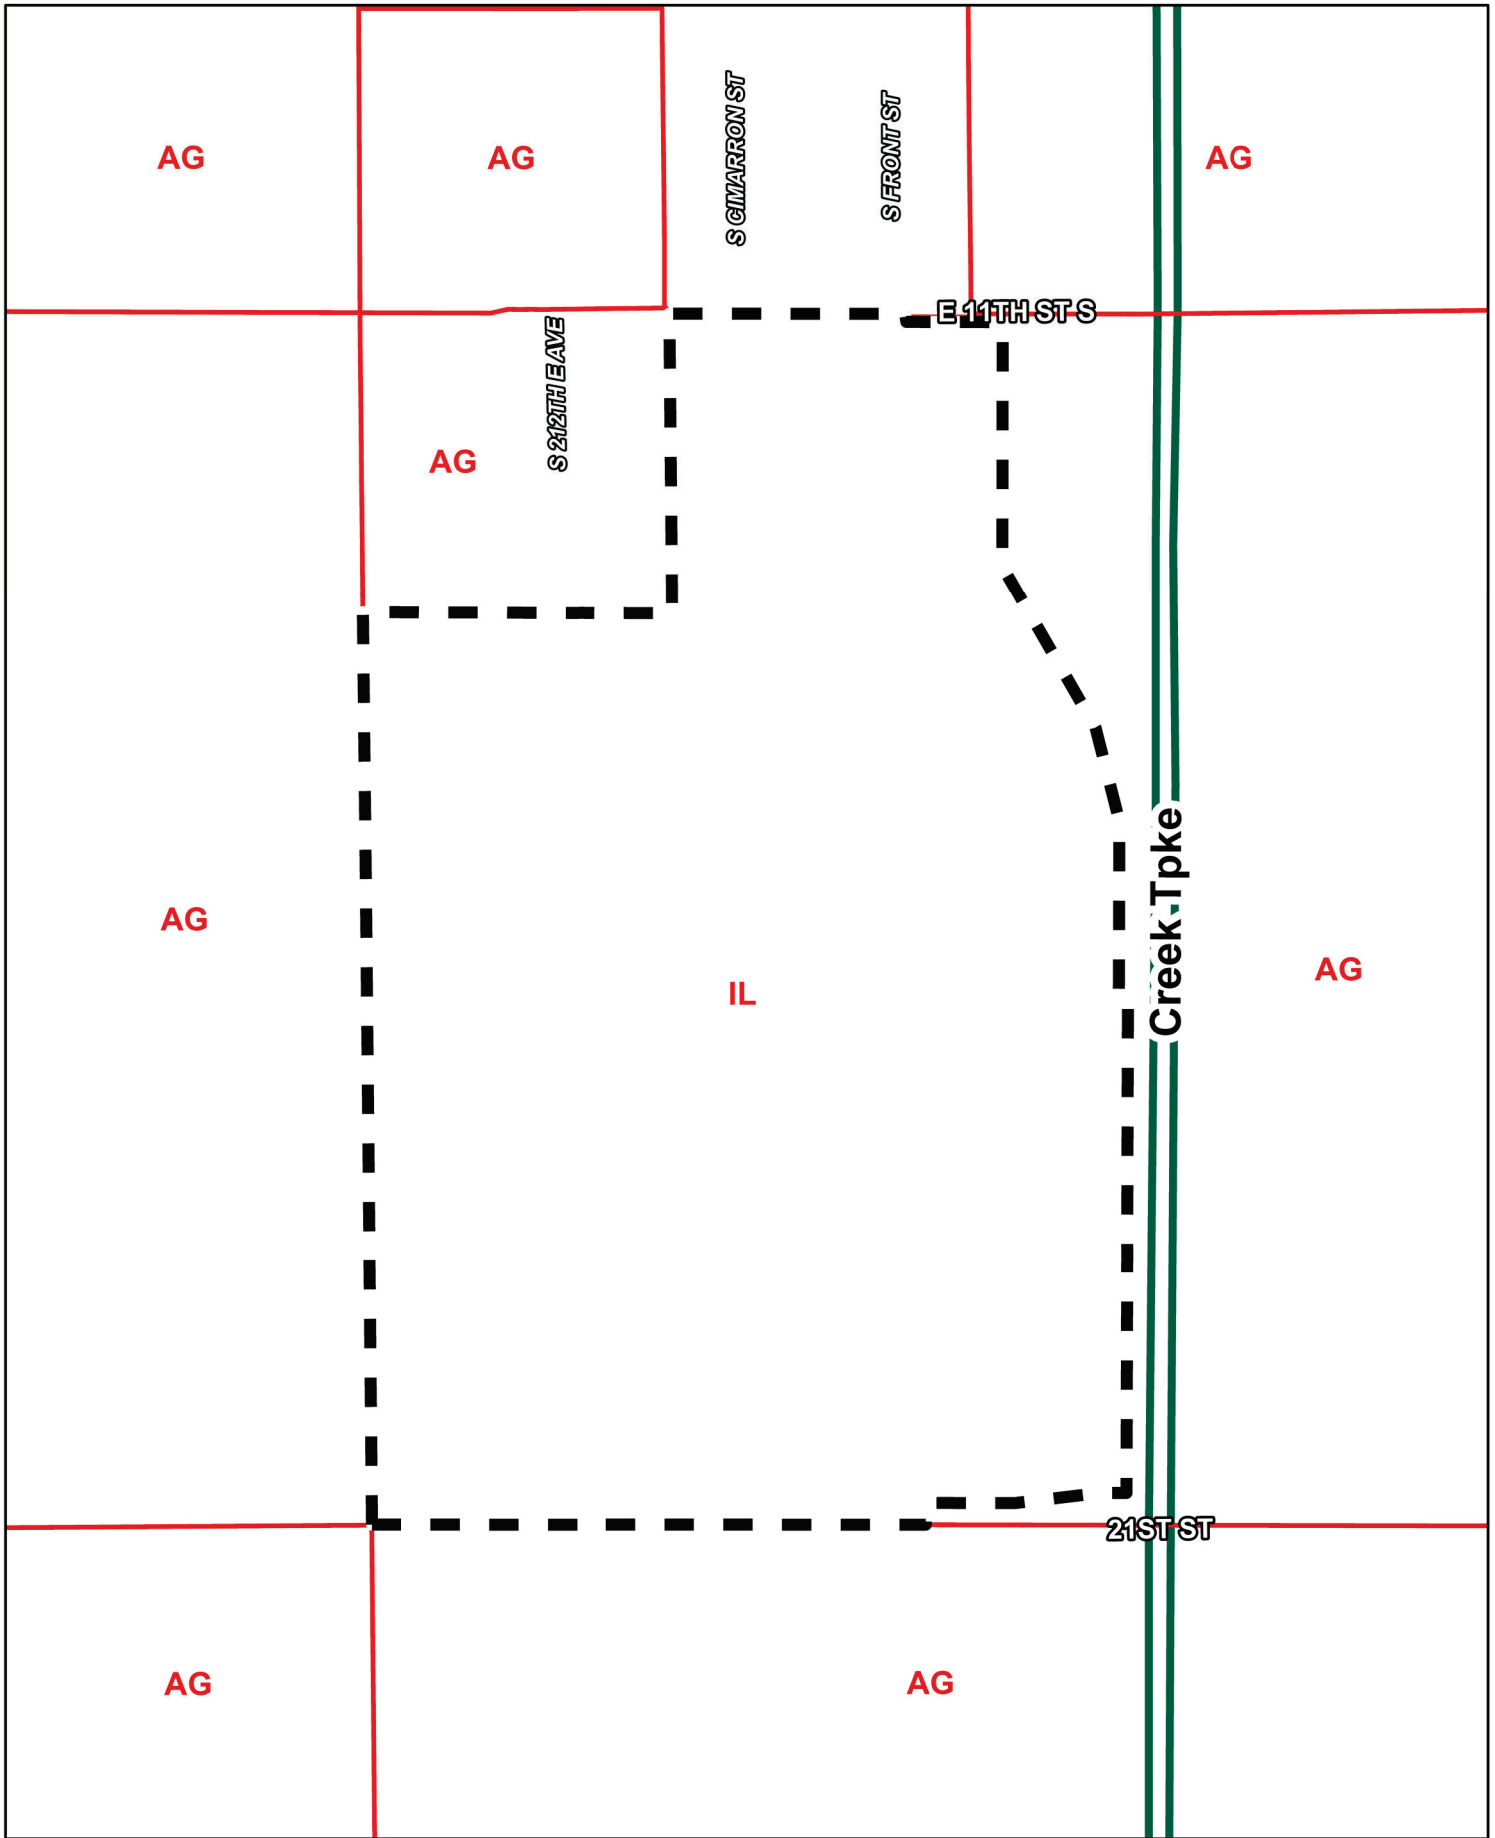

Staff recommends approval of an authorization for accelerated release of building permits limited to the substation shown on the attached site plan. Staff also recommends approval of a modification to Section 10-110.6-C of the *Subdivision and Development Regulations* to remove the requirement for performance guarantees for public infrastructure, finding that the criteria of sections 10-070.4 of the Subdivision and Development Regulations have been met. Performance guarantees will be required prior to the filing of the final plat for any infrastructure that has not been completed at the time of final plat approval.

RE: DICM Performance Guarantee Exception Narrative

Dear Mr. Foster,

TTL, Inc. (TTL) appreciates the opportunity to submit this exception narrative .

The nature of the project and the fact that the public infrastructure is being installed on the overall property is not necessary for this site.

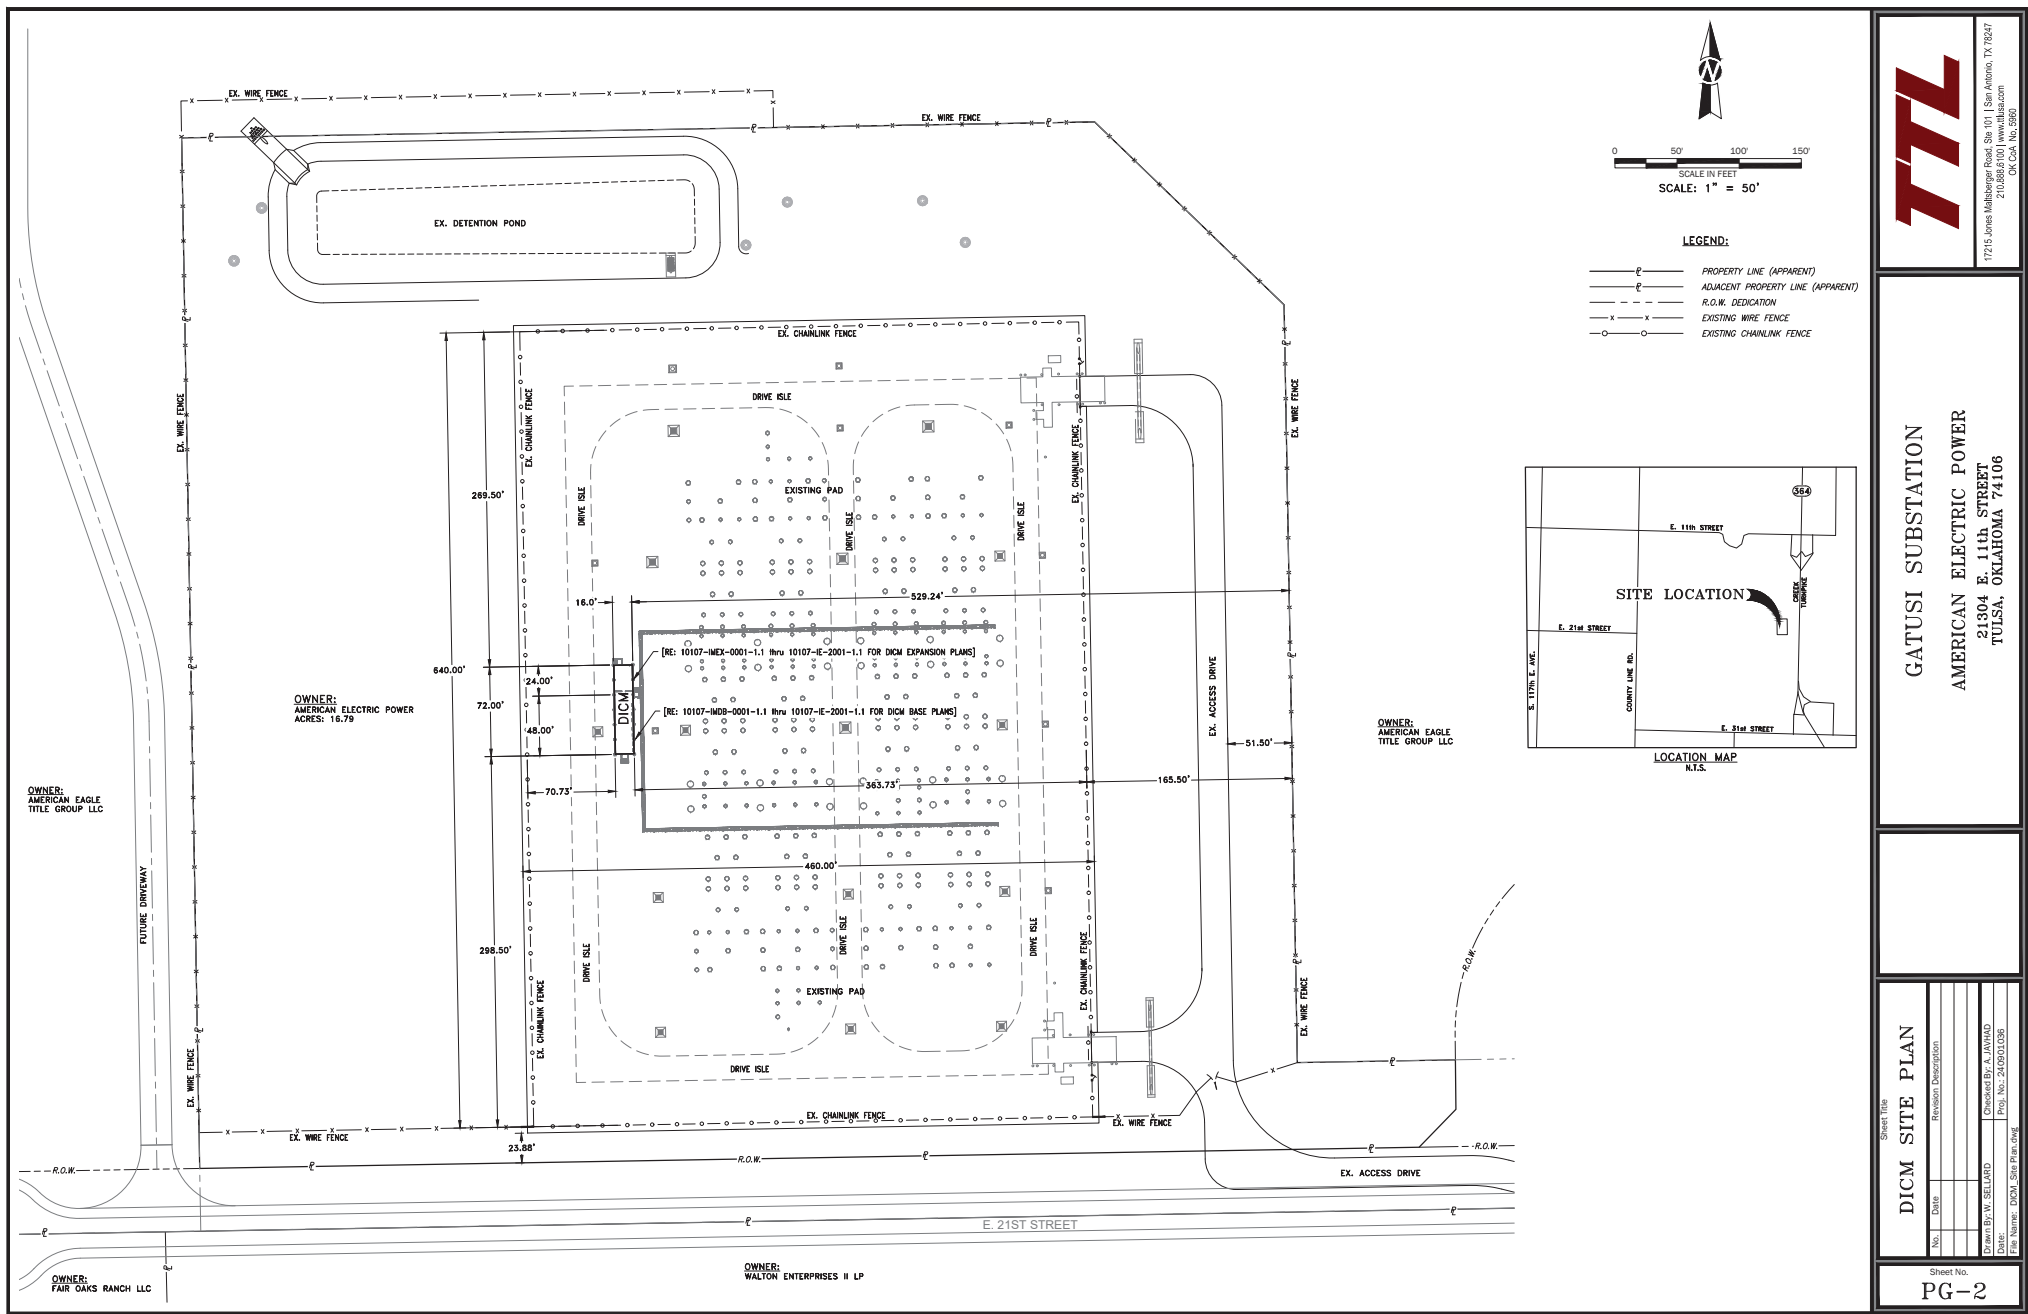

Kindly provide us with accelerated release of permits.

Respectfully Submitted,

TTL, Inc.
